August 4, 2023

Students, Parents, Community Stakeholders,

I am delighted to welcome you to the beginning of the 2023-2024 school year and let you know serving as Superintendent of Schools for CUSD #7 has been a true honor for me going on 14 years.

This district is known for its diversity and inclusion, academic excellence, and numerous activities outside of the classroom. I value the programs and services in place as a 33-year educator. I am committed to ensuring that present and future students have opportunities to explore their interests and discover their genuine passions inside and outside of the classroom.

While we may face hurdles from time to time, I am confident we have a great team of educators in place that can work together to overcome any obstacles.

All stakeholders will have access to who we are and what we do each day. Please do not hesitate to email or call any of our building offices with questions, comments or concerns regarding our schools.

Unity is in an exciting period of growth and change, and we are all looking forward to the year ahead.

Every day is a great day to be a rocket!

Sincerely,

Andrew Larson, CUSD #7 Superintendent
